# NETWORKED SOCIETY

A connected world is just the beginning

# THE RIPPLE EFFECT

ICT progress builds positive change for society, business and people

**80 JOBS**

are created for every 1000  
broadband connections

Source: Ericsson, AD Little

**20 MILLION**

Spotify users in 4 years, accessing 20  
million songs creating 1 billion playlists

Source: Spotify

**6.3 MILLION**

concurrent players on the Steam online  
gaming platform

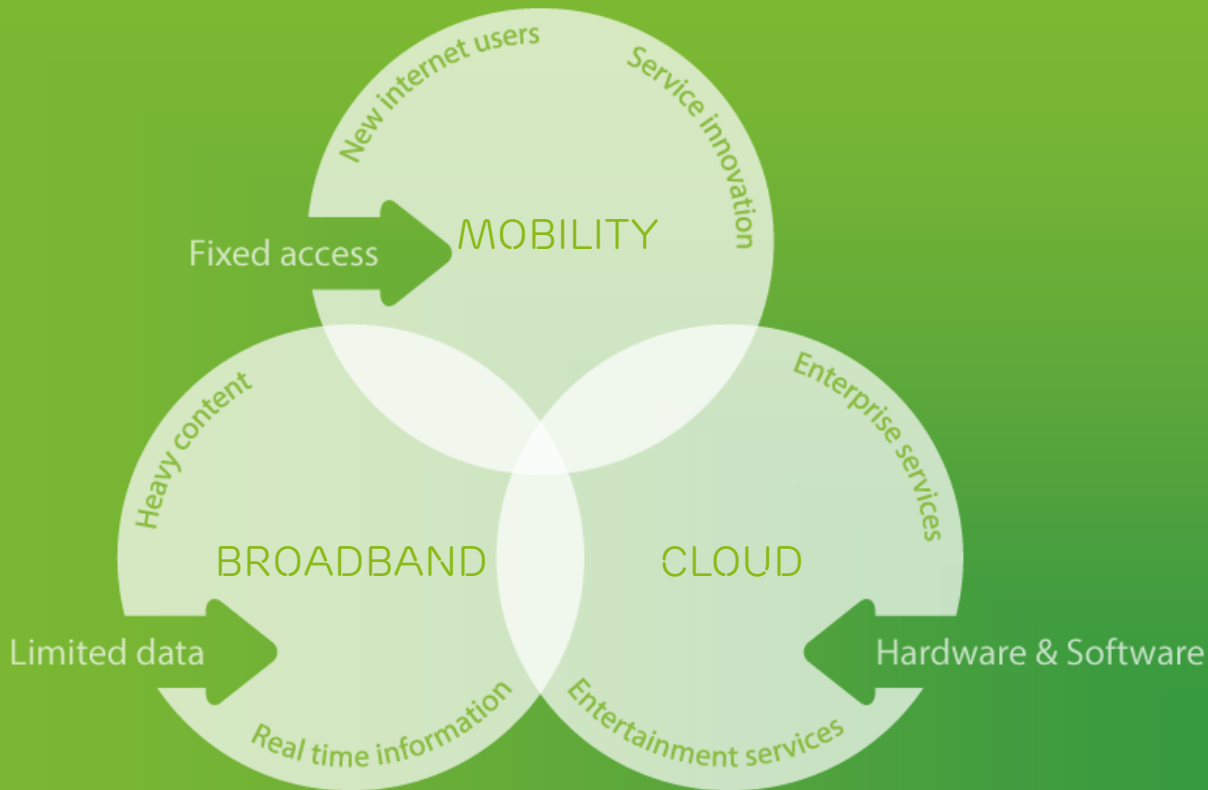

Source: Valve

# PROGRESS

# THREE KEY SHIFTS

# MOBILE TRAFFIC GROWTH

# 10x

Growth in mobile data traffic between  
2013 and 2019 (ExaBytes)

- Data: mobile PCs, tablets and mobile routers
- Data: mobile phones
- Voice

# CATCHING THE NEWS

## Key challenges

- › Heavy data
- › Moving fast
- › Crowds of people
- › Below ground level

Compress  
& distribute

Store content  
close to users

Right stream  
to right device

Coverage  
everywhere

Fast response  
in application

Top video  
quality

# SHARING THE GOAL

## Key challenges

- › Thousands of people
- › Share live experience
- › Photo, audio, video
- › All at the same time

Record & Share  
experience

Great device  
performance

Local boost  
of coverage

Self-optimizing  
network

Coverage  
everywhere

Reach anyone  
in real time

# JOINING THE CONFERENCE

## Key challenges

- › Indoor
- › Concrete walls
- › Modern/isolated windows
- › Rich media

Compress  
& distribute

Reach anyone  
in real time

Right stream  
to right device

Coverage  
everywhere

Local boost  
of coverage

Top quality  
of video

# KEEPING THE DISTANCE

## Key challenges

- › Moving fast
- › Human factor
- › Ultra fast response
- › Cannot fail

Connected  
Vehicle Cloud

GPS & traffic  
information

Analyze  
& predict

Coverage  
Everywhere

Command  
if needed

Notify  
emergency

# WHAT TO EXPECT FROM 5G

Multi-domain  
Performance

Foundation for Efficient  
Industries and Society

Energy  
Performance

Massive Machine  
Type Communications

Critical Machine  
Type Communications

Global  
Standard

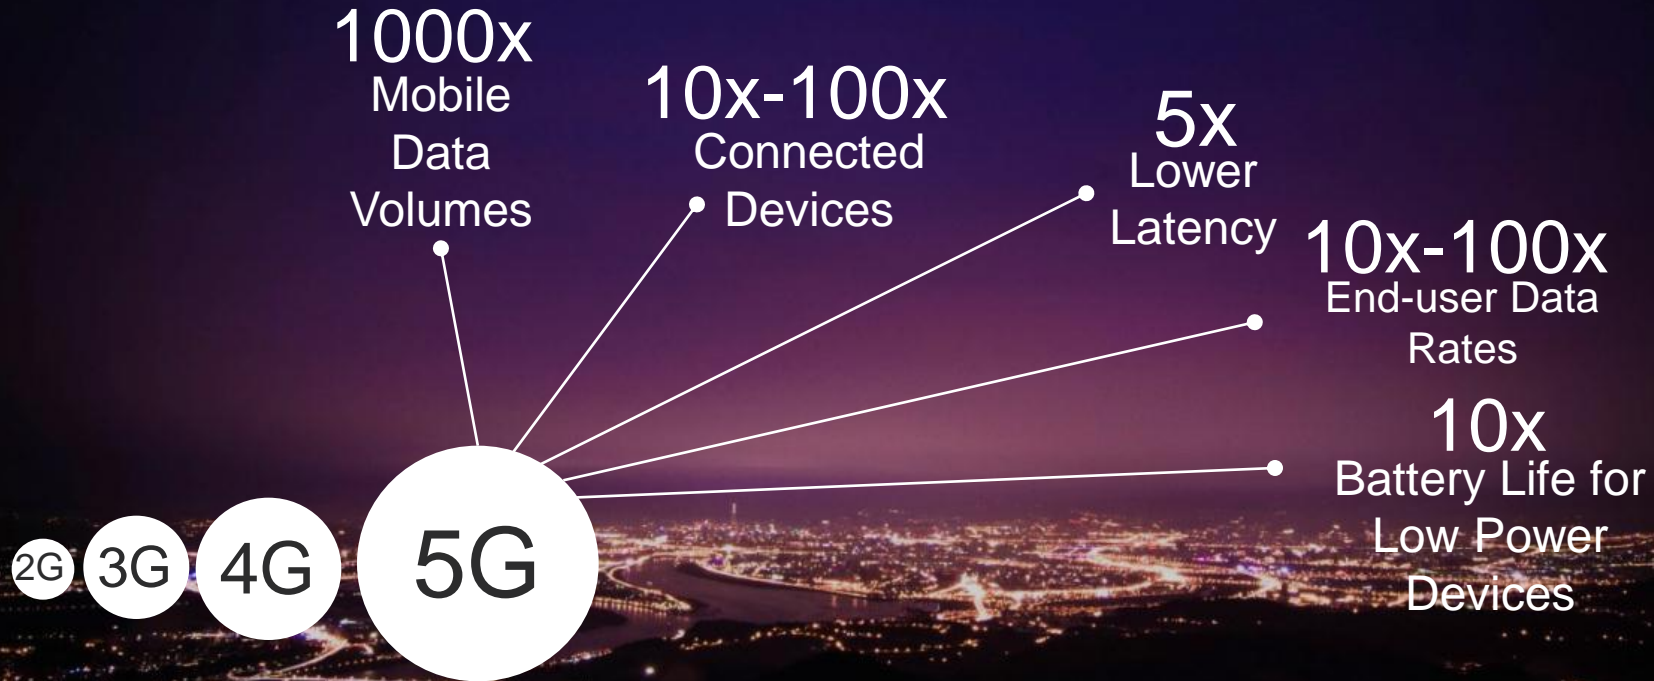

Mass Market  
Personalized TV

# EVOLUTION TOWARDS 2020

# ONE NETWORK - MULTIPLE INDUSTRIES

A common network platform with  
dynamic and secure Network Slices

# THE JOURNEY TO A NETWORKED SOCIETY

Today

Transformation  
journey

Tomorrow

Global cloud based networks

# FUTURE WIRELESS ACCESS - THINGS & DEVICES

A platform on which any future wireless application can be implemented

More than just bigger and better mobile broadband

**ERICSSON**
